**NAME:** MR. NAVEEN CHANDER SINGH

**DESIGNATION:** MANAGING DIRECTOR

**COMPANY/ORGANIZATIONS:** KMC CORP INDIA

**BRANCH:** COMPUTER SCIENCE ENGINEERING

**BATCH:** 2003

**Naveen Chander Singh** is a technology leader with nearly two decades of experience, known for his work in the hospitality industry. A Computer Science Engineering graduate from SMVCE (formerly SLNCE), he furthered his education with a master's degree from Western Kentucky University on a 50% scholarship. His career began as a Business Intelligence Analyst at Deloitte, where he developed expertise in BI and Data Warehousing.

Throughout his career, Naveen has been a key figure in delivering large-scale technology projects for Marriott International. He managed global teams and played a significant role in modernizing hospitality systems. His leadership has been instrumental in a range of areas, including BI and Data Warehousing, Kafka-based data streaming, and mobile QA, all aimed at creating real-time, guest-centric digital experiences.

In 2012, he founded Kanor Systems Inc, and he currently serves as the Managing Director of KMC Corp India, in addition to overseeing two other IT companies. His professional focus today is on helping hospitality brands modernize their IT ecosystems and implement data-driven strategies. His key areas of expertise include Data Strategy, Kafka, AI/ML, DevOps, and Adobe AEM & Campaign platforms.

Born and raised in Hyderabad, Naveen attributes his entrepreneurial spirit to his upbringing, where he learned the value of hard work by helping with his family's printing press business. Since 2024, he has returned to India with a mission to contribute to society by creating jobs, mentoring junior engineers, and expanding offshore delivery capabilities to showcase Indian talent on a global scale.

Beyond his professional life, Naveen is an amateur story writer with a passion for movie-making. He is also an avid movie enthusiast who enjoys playing cricket and tennis.
