

Report on Post Budget Webinar

Theme: *Sabka Saath, Sabka Vikas – Fulfilling Aspirations of People*

Date: 09 March 2026

A Post Budget Webinar on the theme “**Sabka Saath, Sabka Vikas – Fulfilling Aspirations of People**” with the topic “Education, Skills and University Townships” was organized on 09 March 2026 under the guidance of the All India Council for Technical Education (AICTE) and the Department of Higher Education. The objective of the webinar was to deliberate on the effective implementation of key announcements made in the Union Budget 2026–27, particularly in the areas of education, skill development, and institutional infrastructure.

At our institution, the program was arranged in the Seminar Hall, where 106 students and 15 staff members participated in the webinar. The program began with the Opening Session addressed by the Hon’ble Prime Minister of India, Narendra Modi, who emphasized the importance of strengthening the education system, promoting innovation, and enhancing skill development among youth to meet the future demands of the nation.

Following the inaugural session, parallel breakaway sessions were conducted focusing on various aspects of the Union Budget related to higher education, skilling initiatives, creative industries, and the development of University Townships. The discussions highlighted the need for effective implementation strategies, timelines, and strong coordination among ministries and educational institutions.

During the webinar, experts and officials shared valuable insights on improving institutional infrastructure, promoting industry–academia collaboration, and encouraging students to develop practical skills and innovative thinking. The session

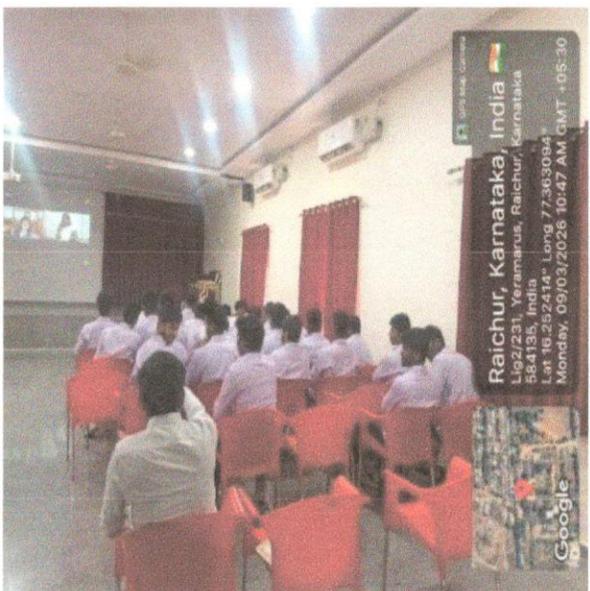

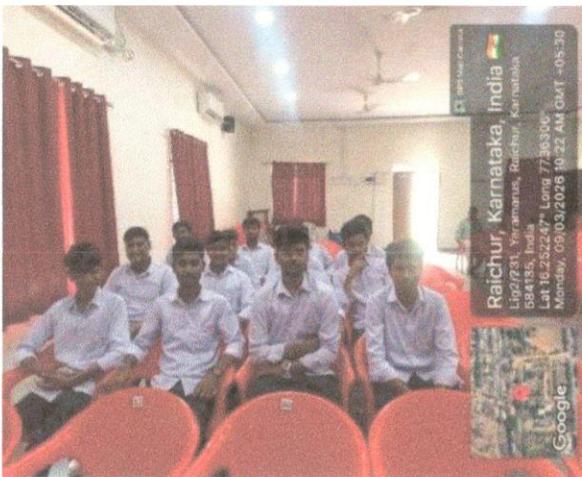

also emphasized inclusive capacity building and creating better opportunities for students in higher education.

The students and staff members of our institution actively participated in the webinar in the Seminar Hall, which provided them with a better understanding of the government's vision and initiatives for strengthening education and skill development in the country.

The webinar concluded with a summary of key discussions and highlighted the importance of collaborative efforts in translating policy announcements into measurable outcomes. Overall, the webinar was informative and beneficial for both students and faculty members of our institution.
