The Cultural Committee of H.K.E. Society's Sir M. Visvesvaraya College of Engineering successfully hosted **Dandiya Utsav** on September 30, 2025, transforming the college quadrangle into a vibrant hub of festive celebration.

**Inauguration:-** The program was officially inaugurated with the auspicious **Pooja of Goddess Durga Matha**. The ceremony was graced by the presence of key dignitaries, including **Principal Dr. R. Basavaraja** and a **Governing Council Member Nishant G Yeli**, alongside **Cultural Committee Coordinator Geetha B.**

Following the formal inauguration, the atmosphere immediately shifted from solemnity to energetic festivity. The heart of the Dandiya Utsav began as a professional dance master and their expert team took center stage. They didn't just perform; they seamlessly transitioned into the role of enthusiastic instructors, ready to immerse the entire SMVCE community in the joy of the traditional folk dance.

The transition to the dance floor was magnetic. Under the lively guidance and crystal-clear instructions of the dance master, all attending faculty and students enthusiastically joined in the traditional Dandiya dance. The rhythmic clapping of the dandiya sticks and the pulsating music filled the Quadrangle, creating an electrifying, communal beat. The master's team provided crucial, real-time demonstrations, ensuring that even those who had never held a stick before could quickly grasp the basic steps and formations.

This expert instruction was key to the event's success: it ensured that everyone, regardless of their prior experience, could participate immediately and joyfully. Barriers dissolved as students and faculty moved together, focusing on the steps and the spirit of the celebration rather than skill level. This collective participation in the energetic and colorful dance form was the highlight, resulting in a grand success that truly fostered a strong spirit of community and deep cultural celebration among the students and staff of SMVCE. The event transcended a typical college gathering, becoming a unifying, joyful experience.
