## **Report on Shramadana Parva (Cleanliness Drive)-2025**

Submitted to: Quality Assurance Cell (QAC), H.K.E. Society Kalaburagi

Institution: H.K.E Society's Sir M Visvesvaraya College of Engineering ,Raichur

Report Submission Date: 22/11/2025

### **1. Introduction**

As per the circular HKES/AI/QAC/2025-26/2543 dated 17-11-2025, H. K. E. Society's Sir M. Visvesvaraya College of Engineering, Raichur, organized *Shramadana Parva*, a dedicated campus cleaning drive, during the third week of November.

This initiative was from Hyderabad Karnataka Education Society, Kalaburagi, under the leadership of Sri. Shashil G. Namoshi, President of the Society, Dr Anil kumar B. Pattan, Convener –Garden committee of the Society, Sri. Nishanth G. Yeli, Convener and Governing Council Member of the Society and Principal Dr. R. Basawaraja SMVCE, Raichur.

It focused on promoting cleanliness, environmental responsibility, and collaborative participation across the campus. The event saw active involvement from faculty, students, and the NSS team, reflecting a strong sense of unity and purpose. The activities were carried out from 18th November 2025 to 22nd November 2025.

### **2. Formation of Green Campus & Development Committee**

In accordance with the guidelines, the institution constituted the Green Campus & Development Committee (Garden Committee). The committee list along with contact numbers was submitted to qac@hkes.edu.in on 20th November 2025.

### **3. Identified Tasks**

- Cleaning of classrooms, laboratories, and corridors
- Removal of dry leaves, plastic waste, and litter from campus surroundings
- Cleaning and maintenance of garden areas
- Segregation of waste into biodegradable and non-biodegradable categories
- Pruning of shrubs and basic plant maintenance
- Cleaning near parking areas, playgrounds, and common utility spaces
- Awareness among students about campus hygiene and waste disposal

#### 4. Activity Implementation (18th–22nd November 2025)

Under the guidance of coordinators, all faculty members and students cleaned their respective departments. The collective effort brought noticeable improvement across all academic blocks. The NSS unit played a crucial role by managing the cleaning of outdoor and common areas.

- Daily cleaning sessions conducted for 1–2 hours
- Active involvement of students from various departments
- Faculty and non-teaching staff supervised and coordinated the activities
- Use of basic cleaning tools, waste collection bags, and garden equipment
- Waste collected daily and handed over to the designated disposal point
- Garden areas were cleaned and plants watered
- Awareness talks were conducted to reinforce cleanliness habits

#### 5. Evidence of Activities

The following documentation have been enclosed/submitted to QAC:

- A detailed report with Photographs of the cleaning activities
- Short video clips showcasing participation and work completed

Dr. Vishwanath P, Chief Coordinator, provided overall direction and ensured smooth execution of the event. Dr. Sharan Kumar and Prof. Bassamma Patil, Faculty Coordinators, along with Non-Teaching coordinators Mr. Shivaraj Bureddy and Miss. Ashwini, supervised departmental activities and facilitated faculty–student coordination. Mr. Kiran B. Palki and Ms. Naina Balaganoor, Student Coordinators, efficiently guided volunteer teams and ensured active student participation. Their leadership was instrumental in the success of *Shramadana Parva*.

#### 6. Outcomes & Impact

- Noticeable improvement in overall campus cleanliness
- Increased student awareness regarding hygiene and environmental responsibility
- Better maintenance of garden spaces and green cover
- Strengthened coordination among teaching, non-teaching staff, and students
- A cleaner, more aesthetically pleasing campus environment

## 7. Conclusion

The institution successfully completed the Shramadana Parva (Cleanliness Drive) within the prescribed timeline. The initiative fostered teamwork, responsibility, and a sense of ownership towards maintaining a clean and green campus. The institution remains committed to continuing such cleanliness and environmental activities throughout the academic year.
