**INDUCTION PROGRAM FOR MBA STUDENTS**

The **Department of Management Studies (MBA)** organized an **Induction Program** for first-year MBA students on **16th December 2024**. The program began promptly at 10:30 a.m. with an inspiring welcome address by **Prof. Bhagyalakshmi G.**, who extended a warm and enthusiastic greeting to all students, faculty members, and dignitaries present. Her address set a positive and encouraging tone for the session, emphasizing the importance of this new academic journey.

The event witnessed the gracious presence of:

- Governing Member **Mr. Nishant G. Yeli**
- Principal **Dr. R. Basawaraj**
- Head of the Department **Mr. B.S. Chickmanth**

The ceremony began with the symbolic act of **watering the plant**, reflecting the department's commitment to nurturing growth and sustainability.

**Mr. Nishant G. Yeli**, the Governing Member, addressed the gathering with motivational words, urging students to aim high and cultivate a professional attitude.

**Mr. B.S. Chickmanth**, the HOD, elaborated on the department's vision, encouraging students to actively participate in both academic and extracurricular endeavors.

In his **presidential address**, Principal **Dr. R. Basawaraj** emphasized the importance of focus, discipline, and seizing opportunities in making the most of their MBA program.

After the inaugural function, the students were introduced to the various facets of their MBA journey:

1. **Academics**

Students were given an overview of the academic structure, course content, and credit system. Faculty members highlighted the importance of continuous learning and skill-building.

2. **Examinations**

The examination section outlined the rules, guidelines, and evaluation methods, ensuring students understand the assessment criteria and adhere to academic integrity.

3. **Internships and Projects**

A detailed briefing was provided on the importance of internships and projects in bridging classroom learning with real-world applications. Schedules and guidelines were shared to help students prepare for this crucial aspect of the curriculum.

4. **Placements and Career Opportunities**

The Placement Cell provided insights into career guidance, upcoming placement activities, and the importance of personal development initiatives like skill workshops and mock interviews.

### Outdoor Sports and Initiatives

Students were informed about the various clubs, events, and extracurricular activities aimed at developing their leadership and managerial skills.

The program concluded with a heartfelt **vote of thanks** by third-semester student **Grace Anusha**, who expressed her gratitude to the dignitaries, faculty, and her fellow students for making the event a memorable success.

The induction program was well-received by all attendees, offering first-year students a clear understanding of their academic and professional pathways while fostering a sense of belonging and excitement for their MBA journey
