“Power Seminar: “Employability Skills for the Future” on 28.07.2025

A virtual **Power Seminar** on *“Employability Skills for the Future”* was successfully organized for MBA students on **28th July 2025**, from **10:00 AM to 11:00 AM** in the **Seminar Hall** of **H.K.E. Society's Sir M. Visvesvaraya College of Engineering, Raichur**.

The session commenced with a warm welcome by **Prof. Bhagyalakshmi G**, Assistant Professor, MBA Department. She introduced and welcomed the distinguished speaker **Ms. Monica Popuri**, a seasoned technology leader, former co-founder, and a prominent figure in the field of enterprise platforms and AI transformation.

Ms. Monica delivered an insightful and inspiring session focusing on the essential *employability skills* that are crucial in the rapidly evolving job market. She emphasized the importance of adaptability, digital literacy, problem-solving, communication, and AI awareness in shaping future-ready professionals. The session also highlighted real-time industry expectations and the need for continuous upskilling.

A **Q&A session** followed, where students actively interacted with the speaker, seeking guidance on skill development, career paths, and AI's role in business transformation. The engagement was dynamic, and students gained valuable perspectives directly from an industry expert.

The session concluded with a **vote of thanks** delivered by **Amaresh**, a first-year MBA student, who expressed gratitude on behalf of the department and participants for the enriching experience provided by Ms. Monica Popuri.

Overall, the seminar was highly informative and well-received by the students, contributing significantly to their understanding of employability in the future workplace.
