Introduction

The Department of Management Studies (MBA), in collaboration with the Placement Cell of H.K.E. Society's Sir M. Visvesvaraya College of Engineering, Raichur, successfully organized a workshop titled **"It's the Time to Learn & Earn"** on **16th December 2025**. The objective of the workshop was to enhance students' practical understanding of financial markets and to create awareness about learning opportunities through informed investment practices.

Objectives of the Workshop

- To provide practical exposure to the fundamentals of the stock market
- To create awareness about investment and wealth creation
- To motivate students to develop financial literacy alongside academics
- To bridge the gap between theoretical knowledge and real-world financial practices

Proceedings of the Workshop

Mr. Bhargava C. Nadig commenced the session by explaining the **basic concepts of the stock market**, providing a strong foundation for beginners. He then proceeded to demonstrate **live stock market operations**, explaining how the stock market functions in real time. The resource person illustrated market movements using **candlestick charts** and clearly explained their significance in understanding price trends and market behavior.

Further, he elaborated on **fundamental analysis**, covering essential concepts such as company performance, financial indicators, and investment decision-making. He also demonstrated how to identify and analyze **listed companies**, explaining where and how investors can access company details through stock exchange platforms.

Outcome of the Workshop

- Students gained practical insights into stock market functioning
- Improved awareness about investment planning and financial discipline
- Enhanced confidence among students to explore earning opportunities responsibly
- Encouraged students to apply financial knowledge in real-life situations

Feedback and Conclusion

The workshop received an overwhelmingly positive response from the participants. The students appreciated the practical orientation of the session and the clarity with which the concepts were explained. The program effectively achieved its objectives and contributed significantly to the academic enrichment and professional development of MBA students. The session was highly interactive and informative, featuring practical demonstrations and real-time market examples. Active student participation throughout the workshop enabled them to gain valuable insights into stock market operations, investment strategies, and financial planning.

The Department of Management Studies and the Placement Cell expressed their gratitude to **Mr. Bhargava C. Nadig** for sharing his expertise and motivating students. The event concluded with a vote of thanks.
